82 HEARINGS ASKED ON NEW ASSESSMENTS

The Adams County Commissioners today made arrangements to begin the first of 82 appeals from property assessments next Monday.

Twenty-three appeals, 14 from Gettysburg and nine from Cumberland Twp. are scheduled for the opening appeals session Monday. Among appeals scheduled for Tuesday are 11 from Littlestown, three from Liberty and two each from Union and Hamiltonban Twp.

The number of appeals was far less than the commissioners anticipated. Last year, 1,207 notices of changes in assessment were sent to property owners in the county and 120 appealed the assessments with 84 actually appearing before the commissioners for hearings.

82 Out Of 3,700
This year 3,700 changes in assessments were made and only 82 asked the commissioners for hearings.

There is a possibility that there may be a few more appeals, because the commissioners' solicitor told them this morning that because of Sunday and the holiday Monday any appeals received this afternoon which may have been postmarked as of Saturday should be accepted.

Included among those who appealed assessment changes are 17 business places in the county. The remainder are divided about equally between residences in communities and farms.

Appeals generally are settled immediately at the hearing, but in some cases final decision is postponed until properties can be looked at by the commissioners. Out of the 84 appeals last year the assessments were raised in 14 cases above the amount the property owners had appealed. Twenty-one were lowered and no changes were made in the remainder.

From All Sections
When an appeal is made, the commissioners have a right to raise or lower the assessed amount or let it remain as it is. Over the last few years the appeal results have shown most remaining "as is," about one-fourth were lowered and about an eighth have been raised. Last year one property owner appealed a \$1,500 assessment. Following the hearing and investigation the commissioners raised the assessment to \$3,750.

The commissioners plan to sit as the appeal board next Monday, Tuesday and Friday. The appeals come from all sections of the county. In addition to the ones listed for Monday and Tuesday there are also 11 appeals from Straban Twp., 13 from Butler Twp., which was completely reassessed this year; three from Menallen Twp., which also was completely reassessed, three each from Mt. Joy and Tyrone, two from Conewago and one each from Berwick, New Oxford, Latimore and Biglerville.

PAYS FINE AND COSTS

Melvin Richardson, Gettysburg R. 3, was arrested Tuesday evening by Constable George Hughes on a charge of disorderly conduct filed before Justice of the Peace Robert P. Snyder by Lester M. Miller, Sr., Gettysburg R. 3. Richardson was committed to jail and released this morning upon payment of a \$10 fine and costs.

PROPERTY SOLD

Sidney A. and Minnie V. Simmons, Gettysburg R. 2, have sold an improved property in Cumberland Twp. to Robert O. and Edith C. McLaughlin of Bethesda, Md. Early possession will be given. The sale was made by John C. Bream.

BRUSH FIRE TODAY

The Gettysburg Fire Co. was called this afternoon at 12:45 o'clock to a large brush fire on the property of Mrs. Blanche Fleck, R. 3, west of Keckler's Hill.

MRS. C. RITTER IS V. PRESIDENT OF GIRL SCOUTS

Mrs. Charles Ritter, Littlestown, was elected second vice president of the Adams County Girl Scout Council at a meeting of the directors of the council Tuesday evening in the Girl Scout office in the First National building.

The election of second vice president was made necessary by the resignation of Mrs. Warren Robinson as first vice president, which moved the second vice president, Mrs. William Neely, Fairfield, to the first vice presidency. Mrs. Robinson submitted her resignation upon moving to Athens, Ga.

Resignation of Oliver Peifer, Bonneauville, as finance chairman of the Girl Scout Council, was accepted with regret. Peifer, who served in the post for several years moved Saturday to Chicago.

Plan October Drive

Plans were made to hold the annual county finance drive at the same time the Gettysburg Community Chest conducts its annual campaign in October. Other details of the drive outside Gettysburg were left incomplete pending the selection of a finance chairman.

The Girl Scouts raise funds each year through contributions secured by the Gettysburg Community Chest locally and by a similar drive conducted outside Gettysburg.

Plans were announced for the annual council dinner meeting to be held October 1 at the Keefeauver School.

Plans were outlined for training courses to be held for leaders of Scout units throughout the county, starting September 16. One course will be held in Gettysburg for leaders from the Gettysburg, Littlestown, Bendersville, Biglerville, Fairfield, Cashtown, and Ardenville areas. Another will be held simultaneously at York Springs for the leaders from the York Springs, New Oxford, East Berlin, New Chester area.

FRACTURES ARM

Mrs. William Yealy, 60, McSherrystown, was treated at the Warner Hospital, Monday for a fracture of the right arm suffered in a fall.

State Car Badly Damaged In Crash

Damage totaled \$900 when Lawrence E. Moul, 55, Hampton, assistant county superintendent of highways apparently fainted while driving and his vehicle left the Littlestown Rd. about two miles south of here and crashed into a chicken house.

State police said Moul was driving north, toward Gettysburg, when the state-owned vehicle he was operating went off the east side of the highway and struck a chicken house at the farm of Huber Smith, Gettysburg R. 1.

Damage was estimated at \$900 to the 1957 Chevrolet owned by the Department of Property and Supplies of Pennsylvania and \$100 to the chicken house.

A passing motorist removed Mr. Moul to the Warner Hospital where he was admitted.

2ND ARMY RATES LOCAL RESERVE AS 'SUPERIOR'

Gettysburg's Army Reserve unit, Company A of the 313th Infantry Regiment, "did well" in a Second Army inspection, according to an announcement made Tuesday night by the company commander, 2nd Lt. Robert W. Black, of Carlisle. In an inspection of the company's weapons, it received a superior and received an excellent in an inspection of its vehicles.

Second Lt. Bernard Palutis, 300 W. Walnut St., Hanover, was attached to the company Tuesday night. He is presently a management-training employee of Montgomery Ward, Hanover. Lt. Palutis was graduated from the University of Scranton last June when he also received his commission through the ROTC program.

Promote Two

Sp/3 Joseph W. Kochenderfer, 128 Chambersburg St., and Sp/3 Leo M. Boyle, E. Main St., Emmitsburg, were promoted to sergeant in ceremonies conducted by the company commander, Lt. Black.

Privates John H. Fissel Jr., Gettysburg R. 2, and Robert J. Blevins, 22 Newark St., Littlestown, returned to the unit after completing six months of active duty under the Armed Forces Reserve Act.

Lt. Black announced there will be no training session September 10 but a regular training session will be held September 17. He also announced a multiple drill for September 22 when the unit will train with other units of the area.

Conduct Classes

A class in demolitions was conducted by M/Sgt. Harry C. Dick. (Continued On Page 3)

TO ENTER CONVENT

Miss Mary Keller, daughter of Mr. and Mrs. Charles Keller, Gettysburg R. 5, left today to enter as a novitiate in the Order of the Sisters of Christian Charity, Malinckrodt Convent, Mendham, N. J. Miss Keller is a graduate of Delone Catholic High School in the class of 1957. She will be accompanied to New Jersey by her parents and her grandmother, Mrs. Ludwig Keller Sr., Gettysburg R. 4, who will spend several days there.

7 TECHNICIANS FROM AUSTRIA VISIT CHM CO.

Seven technicians from Austria, known as the "Austrian Food Canning Industry Team," were guests of The C. H. Musselman Company, Biglerville, on Tuesday. Accompanying the group was A. E. Laurencelle, project manager, International Cooperation Administration, Washington, D. C.

The group five of whom represent management, and two labor union officials, included: Dr. Dionys Paic, Vienna; Johann Mild, Vienna; Hans Petter, Vienna; Ernest Stroemer, Lower; Reinhold Unterwieser, East Tyrol; Franz Wilhelm, Vienna, and Elmar Zernatto, Carinthia. Interpreters were Miss Ingeborg Wichmann and Miss Margot Lautenschlager.

A tour of the Musselman plant and Adams County orchards was directed by Clair F. Shillito, general manager, and J. Henry Donhart, production manager of Musselman's.

The group arrived in the United States on August 10 and will remain until September 21. Included in the itinerary are visits to canning, packaging and freezing plant machinery manufacturers, trade associations and research laboratories in the eastern half of the country.

The study tour, sponsored by the Austrian Productivity Center, is directed toward helping the canning industry to improve and expand its production and to develop its marketing potential.

Upon return to Austria, the team will prepare a report of its findings to be disseminated through press, radio, lectures, bulletins, and other media in an effort to introduce and broaden the application of modern techniques with the ultimate objective of increasing productivity in the industry in general.

Judge Orders Integration In Little Rock; Governor's Next Move Secret In Checker Game

LITTLE ROCK, Ark. (P) — National Guardsmen called out by Gov. Orval Faubus today forcibly prevented integration of Central High School and Faubus insisted that he is not defying a federal court order.

The soldiers turned back nine Negro students who tried to enroll at the 2,000-pupil all-white school.

A federal judge last night ordered school officials at Little Rock, Ark., to proceed with integration of a high school surrounded by National Guardsmen.

Gov. Orval Faubus, who called out the guardsmen, said his next order to them is a military secret. He called the situation "a legal checker game" but gave no indication whether he will back down on his stand to keep Central High School segregated.

Supt. Virgil Blossom said the school would be open to negroes today.

LOCAL FIRM IS LOW BIDDER ON COUNTY BRIDGE

Gettysburg Construction Co. today was the low bidder for the contract to construct a new steel and concrete bridge across Conewago Creek at Brown's Dam, near Hampton. The new 191-foot structure will replace the longest covered wooden bridge remaining in the county.

It will also mark the first time that the local construction company, which has built various types of structures over the last several years, has undertaken to build a bridge.

Contracts for the work are scheduled to be signed next Wednesday and the contracts will call for the new 18-foot wide bridge to be completed in 120 days. It will be a three-span, concrete deck, steel I-beam structure.

Four Other Bidders

Gettysburg Construction Company's bid was \$49,340. Four other bids were received as follows: Hanover Construction Co., Hanover, \$57,747; Conestoga Construction Co., Rohrerstown, \$58,300; Maitland Brothers, S. Queen St., Littlestown, \$58,500; and Hempt Brothers Inc., Camp Hill R. 1, \$61,623.

The commissioners this morning also authorized payment of county aid to three boroughs following receipt from state highway engineer C. D. Felton of final approval to the work completed on streets within the towns.

Fairfield will receive \$328.02 from county aid toward the \$2,986.70 cost of work on 1,115 feet of Franklin St. to Main St.; East Berlin will receive \$542.45 in county aid toward general maintenance of streets which cost \$3,975.50. Bendersville will receive county aid of \$317.91 toward work on a 500 foot section of Main St. along properties of Ivan Riggall, G. M. Stock and Paul Black which was completed at a total cost of \$785.

\$75 In Change Is Taken From Truck

Borough police today continued their search for approximately \$75 stolen early Tuesday morning from the pickup truck of Earl McClellan, Waynesboro R. 4, while it was parked to the rear of the Blue Parrot Tea Room, Chambersburg St.

McClellan told police he put approximately \$75 in change, mostly quarters, in a money box in the glove compartment of his pickup truck about 10:30 o'clock Monday night, locked the compartment and then returned to his duties in the restaurant. He returned to his vehicle about 1 o'clock Tuesday morning and found that someone had forced the lock on the glove compartment and removed the money box and its contents.

Kiwanians View Slides Of Europe

Members of the Kiwanis Club saw slides taken in Europe by Rodney Felix, Gettysburg, a senior at Penn State University, during their regular meeting Tuesday evening at Banker's Restaurant. Felix, a member of the Penn State Chapel Choir, spent six weeks abroad with the choir.

Slides and narration covered Felix's trip through the British Isles, France, Switzerland, Germany, Italy and the Netherlands. The 66-member group flew to Europe via Dutch Royal Airlines.

Harry Spangler presided at the meeting after which a board of directors' meeting was held.

445 Holiday Traffic Deaths

By THE ASSOCIATED PRESS
Final tabulation of accident reports showed today that at least 445 persons were killed in traffic accidents during the long Labor Day holiday weekend.

This toll exceeded by 25 the pre-holiday estimate of 420 made by the National Safety Council.

Although the toll surpassed last year's Labor Day toll of 435 as well, it was not a record for the holiday period. The largest traffic death toll was 461 during the 78-hour Labor Day weekend in 1951.

In the holiday just concluded, an Associated Press survey showed an over-all death toll of 636 from traffic, drowning and miscellaneous accidents. In addition to the 445 traffic deaths, there were 95 drownings and 96 deaths in a variety of accidents.

APPROXIMATELY 8,000 PERSONS AT SO. MT. FAIR

The South Mountain Fair opened its 34th season at 6 o'clock Tuesday evening with a crowd estimated at approximately 8,000 persons.

W. Clayton Jester, executive director of the fair association, said, "We had an awfully good evening and everyone was pleased with the crowd. The parking lot was nearly full and the grandstand was about three-fourths full for the entertainment."

Jester also said the cattle, farm crop, and arts and handicraft exhibits are the "largest we've had." He called the fruit exhibit "exceptional." "It is the best fair we've had," Jester said.

The main attraction on the opening night was Buck Steele's Frontier Days which featured cow punching, lassoing, trick riding and miscellaneous features of a rodeo.

Crowd Is Pleased

Those at the fair Tuesday night praised the large exhibit of flowers, some of which were arranged to carry out a theme such as a book or industry and home activities. The hatching of baby chicks in an incubator was of great interest to both the children and their parents. Also receiving praise were the exhibits of new cars, farm equipment and the displays of heating, lighting and building contractors and appliance dealers. One display that brought special mention was the scale model of a split-level home under construction.

The fair continues the rest of the week. There will be daily band concerts, rodeos and other popular entertainment. The horse show will be held Saturday beginning at 10 a.m.

JOHN N. FEESER EXPIRES AT 36

John Nevin Feeser, 36, well-known Taneytown businessman, died at 5:30 o'clock this morning at the Warner Hospital where he had been a patient for the last two weeks.

With his brother, Birnie William Feeser, the deceased had operated the J. W. Builders' Supply business at Taneytown.

He was a son of Allen F. Feeser and the late Mabel (Perry) Feeser. In addition to his father, he is survived by his wife, Nadine M. (Noble) Feeser; a daughter, Sandra Dean, at home, and a brother, Birnie William Feeser, of Taneytown.

The deceased was a lifelong member of Grace United Church of Christ in Taneytown.

Funeral services Friday afternoon at 2 o'clock at the Grace Church with the Rev. Morgan R. Andreas officiating. Interment in the church cemetery. Friends are invited to call Thursday evening from 7 to 9 o'clock at the Feeser home. The body will be taken to the church at noon Friday.

Annual Service At Rock Chapel Sept. 15

The 184th anniversary of the founding of Old Rock Chapel Methodist Church will be observed with a special service Sunday, September 15, at 2 p.m. The service is usually held the second Sunday in September but has been postponed to permit some necessary repairs to the church.

Complete plans for the service will be announced next week by the pastor, the Rev. Amos D. Meyers.

\$79,955.25 IS SPENT BY TOWN DURING AUGUST

Cost of operating the borough through August was \$79,955.25 according to the report of Borough Treasurer John H. Baschore to town council at its meeting Tuesday evening at the engine house.

So far this year \$36,498.55 has been spent for protection to persons and property; \$20,692.92 for the highway department; \$8,104.13 for general government; \$1,116.28 for health and sanitation; \$6,347.17 for miscellaneous purposes and \$7,196.20 for lights.

While the town had a balance of \$25,665.83 as of Tuesday, it operated "in the red" as far as August was concerned. Income during the month totalled \$8,817.03. Expenditures were \$11,953.47. Income during the month included \$3,730.11 from the county; \$55 from justices of the peace; \$2,343.50 from parking meters; \$400 from the state for liquor licenses in town, and \$2,238.42 from collections made by Burgess William G. Weaver.

Reds Flying First Airliner To United States In 20 Years

LONDON (P)—A big Russian jet airliner roared out of London airport today for the first flight to the United States by a Soviet civilian plane.

The twin-jet TU104 flew here from Moscow, stopped 2 hours and 25 minutes for refueling, then took off for Keflavik, Iceland.

From Keflavik it will fly to Gander, Nfld., and then on to McGuire Air Force Base in New Jersey. It will be the first Russian plane to land in the United States in 20 years.

The 5,570-mile Moscow-to-McGuire flight was expected to take about 18 hours total flying time.

Last Flight In 1937

The last Russian aircraft to visit the United States—a military plane in 1937—made a 6,200-mile flight in 62 hours, flying over the North Pole.

There were conflicting reports of the number of persons aboard the TU104. A Moscow radio broadcast said 60 passengers boarded the plane but a news dispatch from the Soviet capital said there were 19 and a crew of 12, including three Britons. A Transport

A well, street extensions and street lights were among the items of business before borough council Monday evening at the engine house, E. Middle St.

The well is one drilled in 1917 for Camp Colt, and which in the 1930s from its more than 400-foot depths provided for a ten-day period all the water the town used. So pure is the water that when it was tapped for borough use, the state permitted it to be pumped directly into the borough mains without treatment.

The problem before council Tuesday night was the fact that the well lies in the middle of the planned extension of Fairview Ave.

Town Is Offered Deed

William Musser, of the Colt Park Development Co., present to give council a deed to proposed extension of Fairview Ave. south of Culp St. and for extension of Culp St. west, also sought permission to place a manhole, a manhole cover, a pump, and install piping and a conduit under the proposed street in order to have water in the Camp Colt well come to an outlet on his property across the street from the well.

He also said that if the outlet were on his property not only could he use the water for business purposes and in his home to be built there, but the well would be readily available to the borough in case of any emergency. The deed he proposed provides that Musser, his heirs, assigns etc., would be responsible perpetually for the manhole, the conduits and any damage to the street above the conduit in return for the right to access to the well.

Council finally decided it may accept such a proposal provided the town has an option to buy the well rights under conditions to be worked out between the borough solicitor and Musser's attorney.

May Be Special Meeting

Because the decision of council to delay acceptance of the deed Monday night delays planned work on Culp St., council agreed to meet in special session, possibly next Monday, if the appropriate resolutions can be readied by then, to vote on the matter.

Approval was given for placing a number of street lights, among them one at the corner of Long Lane and Queen St., two along Long Lane between Gettys St. and Breckenridge St., one on Johns St. between Culp and Queen, and one at the corner of King and Johns Sts. Authorization was given to increase the power of the street light at the intersection of High and West Sts.

Ordinances were passed for extension of Howard Ave. and Ridge Ave. for distances of approximately 400 feet.

Traffic, R.R. Problems

Albert Hansen, Carlisle St., a former policeman at Burlingame, Calif., now a resident of Gettysburg, spoke on traffic problems in Lincoln Square and urged some action to "prevent a fatal accident."

Two Are Inducted Into Armed Forces

Robert L. Miller, York Springs, and Eldon E. Snyder, Littlestown R. D., left Gettysburg this morning for induction into the armed forces. Miller, a volunteer, was named leader, and Snyder, assistant leader. Two other countians also left this morning for pre-induction physical examinations. The four men left by bus at 6:35 o'clock for Harrisburg where they will receive military transportation to New Cumberland. Mrs. Dorothy Swisher, secretary of the local draft board, made the announcement this morning.

Bankert Gives Summary Of Answers In Hospital Survey

A summary of the answers received in the recent survey conducted in connection with the future needs of the Warner Hospital were outlined today by Wilbur A. Bankert, Littlestown, president of the hospital board of directors, as follows:

Sixty-nine per cent of participants said they themselves, or some member of their families, had been a patient in the Annie M. Warner Hospital during the last five years.

Nearly one-fifth of those replying expected they, or some member of the family, would require hospital care within the next 12 months.

Ninety-five per cent would go to the Annie M. Warner Hospital now if they needed general hospital care.

No Large Enough

Nine out of every ten persons believe the hospital is managed efficiently.

Eighty-three per cent think the hospital is neither large enough nor

well enough equipped to serve adequately all who may apply for care.

Ninety-seven per cent consider the hospital care offered this community ought to be kept abreast of the most advanced practice, even though costs be increased.

Ninety-four per cent think the hospital should be enlarged and modernized to meet the steadily increasing demand for more and better hospital service.

Almost three-quarters of those replying correctly understand that the hospital does not receive enough money from patients to pay for enlargement after necessary running expenses have been met.

\$10,000 BLAZE DESTROYS BARN IN EMMITSBURG

Loss was estimated at more than \$10,000 Saturday night after fire broke out in a barn near Emmitsburg and gained headway so rapidly that firemen could only concentrate on saving nearby buildings.

The blaze raged through a large barn on the farm of Mehrl Kellholz, of Emmitsburg R. 1, destroying 11 calves, machinery and hay. Origin of the fire was undetermined.

The Emmitsburg fire department sent three trucks to the scene. Tom's Creek, only about 100 feet from the barn, offered an easy auxiliary water supply, but the blaze was too far advanced when first discovered.

Other Buildings Saved
"It was really gone when we got there," one of the firefighters explained. The Kellholz farmhouse, about 100 feet from the barn, and two sheds, each about 75 feet away were saved.

Firemen said the loss would probably amount to \$10,500.

Another weekend fire call was received by the Independent Hose Co., Frederick, at 9:50 p.m. Sunday.

However, the blaze, which started in wiring in a dwelling on the old Washington Pike, about one and one-half miles south of Frederick, was already extinguished when the Independents arrived. Firemen said there was no serious damage.

TREAT MANY FOR INJURIES

John Speelman, 10, son of Mr. and Mrs. Belford Speelman, R. 5, was treated at the Warner Hospital for a fracture of his left arm received in a fall from a porch Tuesday.

Mrs. Patrick Kearns, 18, Philadelphia, was treated for a laceration of the forehead and right eyebrow sustained when she was thrown against the windshield when her husband suddenly stopped his auto.

Ann Jones, 16, Annapolis, Md., received treatment after a fellow swimmer accidentally stuck his finger in her eye.

Fracture, Cuts, Burns
Edgar Wastler, 47, Emmitsburg, was treated for a fracture of the right ankle sustained Saturday in a fall from a four-foot ladder.

John Birely, 7, son of Mr. and Mrs. William Birely, 22 York St., received treatment for a laceration of his chin.

Raymond MacGill, 36, Duncanville, Pa., was treated for burns of the chest received when he removed the radiator cap from an auto.

Norman A. Weaver, 5, son of Mr. and Mrs. Norman Weaver, R. 5, received treatment for laceration of the left forearm sustained Monday when he fell on a broken bottle.

Other Mishaps
Mrs. Eva Scott, 3, Richmond, Va., was treated for contusions of the neck and back received when her car was struck in the rear by another auto Monday.

A foreign particle was removed from the eye of Patrick Wayne Grace, 17-month-old son of Mr. and Mrs. Merton Grace, R. 4, who had been playing in a sandbox.

Linda Dillon, 3, daughter of Mr. and Mrs. Donald Dillon, Orrtanna R. 1, who was bitten by a dog Monday, was treated for a laceration of the forehead.

Suzanne Topper, 1½, daughter of Mr. and Mrs. Vincent Topper, Harrisburg, was treated for a laceration of the left forehead received when she struck her head against a rusty door latch.

Two Cottages Burglarized

State police today began investigation of burglary of articles, including two French doors, from two adjoining cottages near Cashtown.

The burglaries occurred during the last three weeks, William Hoover, Chambersburg, owner of the cabins told state police in reporting the thefts. He said he had last visited the cabins about three weeks ago and that nothing was missing at that time.

Loot taken from the properties which are side by side in Franklin Twp. atop Mt. Newman, west of Cashtown was estimated as worth \$200. It included the two French doors, which had been between the living room and dining room of one cottage; the hinges for the doors; two record players, a small cast iron cook stove, a metal heater and kerosene lamps.

Value of those articles was estimated at \$100. Also estimated as worth \$100 was a quantity of two-inch galvanized pipe in ten-foot sections which had been piled between the two cabins and which also was removed by the burglars.

Police said the door of the one cabin had been opened by kicking or pounding against it until the latch inside gave way. No evidence of such effort to gain entry was shown at the other cabin, police said.

ATLANTIC CITY, N.J. (AP)—Joseph L. Kun, president of Philadelphia's Common Pleas Court No. 1, remained in serious condition at Atlantic City Hospital today following a heart attack.

The judge was taken to the hospital early Monday from his summer home at Venmore. He was released from the institution last Aug. 30 after staying there 16 days for what the hospital called a medical checkup.

DOVER, Del. (AP)—Two twin-engine P-51 Corsair fighter planes collided over Delaware Bay today. The Air Force said one man was missing and three parachuted to safety.

Capt. James Bouchard, public information officer of Dover Air Force Base, said the collision occurred about a mile off Pickering Beach.

The planes, each of which carried a pilot and radar observer, are attached to the 98th Fighter Interceptor Squadron of the 4728th Air Defense Wing at Dover.

PAWTUCKET, R. I. (AP)—There was no school today for Pawtucket's 10,000 public school pupils as 400 members of a teachers' union held a mass meeting after failing to come to salary terms.

EISENHOWER GO TO NEWPORT FOR VACATION

WASHINGTON (AP)—President and Mrs. Eisenhower, vacation-bound for Newport, R. I., took off today.

Accompanying them to the airport were three of their four grandchildren, David, Barbara Anne and Susan.

Eisenhower was togged out in brown, from hat to shoes, except for a white shirt. Mrs. Eisenhower, still looking a bit peaked after an operation and stay in the hospital, was wearing a white figured black suit with black and white accessories.

The flight, to Quonset Point Naval Air Station across Narragansett Bay from Newport, was expected to take about 90 minutes.

The President and Mrs. Eisenhower will occupy a tree-shaded, 12-room, white stucco house which the new commander of the base, Rear Adm. Henry Cromelin, is yielding to the commander in chief.

May Stay Until October
There has been no official word on how long they will stay. If the weather is good, they may remain until close to the scheduled mid-October visit to Washington of Britain's Queen Elizabeth.

The President does plan to make some commuter flights from Newport for business conferences in Washington.

As always on vacation, the President will mix work and recreation at Newport. A temporary office has been set up at the naval base.

Eisenhower still must act on almost 100 bills remaining from his desk shortly before adjourning last Friday. Those remaining include the civil rights measure, which administration officials have predicted he will sign.

On the vacation side, the Eisenhower golf faces a real test at the heavily sand-trapped Newport Country Club. The course is located just 15 minutes by boat from the naval base. There is plenty of fine fishing in the area.

FILE CLAIM FOR HOTEL DAMAGES

Hotel Gettysburg Co. has brought suit in Adams County court against Anthony Bosco, Lavelle, Pa., for damages to the front of the hotel when Bosco's car climbed the curb on Lincoln Square and hit the hotel October 17, 1952.

The action in trespass, filed for the hotel by Attorney Daniel E. Teeter, is based on a crash occurring at 2:45 o'clock on the morning of October 17, 1952.

Bosco, according to the complaint, was driving north through Lincoln Square when his auto ran up on the curb, crossed the sidewalk in front of the hotel, struck a round colonnade, together with a light on it, struck a rectangular colonnade to the rear of the round column, and also broke a long wooden flower box attached to the front of the hotel.

Claim Itemized
The complaint alleges the usual reckless driving, driving too fast, failing to keep car under control, failing to have brakes in such condition to stop, etc., and also alleges that Bosco was operating the car while under the influence of intoxicants.

Through the suit the hotel seeks to secure \$847.40 which it claims as the cost of replacing the items damaged in the crash and the cost of removing the wreckage of the original articles.

The itemized statement showed \$310 as the cost of the round, two-foot wide, 30-foot high front colonnade, \$75 the cost of the two-foot wide rectangular column, \$25 for the electric lamp, \$28 for the flower box, \$42 for painting, \$172 for labor, \$147.40 for emergency repairs needed immediately after the accident, \$15 for the labor to clean up the mess left after the car hit the hotel and \$33 freight for the round colonnade.

"SO NEAR SO FAR"

So near the one I long for . . . we're just two lips apart . . . so close the charms I yearn to hold . . . tenderly to my heart . . . I seek to enter in . . . so close the priceless treasure . . . I'm trying hard to win . . . so near the only answer . . . the reason and the why . . . that makes me drift to dreaming . . . and roam the clouds on high . . . so near the face angelic . . . a flower fair to see . . . to think that one so lovely . . . is oh so close to me . . . so near a happy ending . . . to things not yet begun . . . so close the goal I'm seeking . . . the prize still to be won . . . so near my heart's desire . . . but distant as a star . . . why is the one I long for . . . so near and yet so far.

More than eight out of ten persons said the charges made by the hospital to patients who can pay their own bills are fair; six per cent feel they are "low."

Kindly Attitude

Eighty per cent describe the attitude of nurses and attendants toward patients at the hospital as either "kindly" or "sympathetic." Eighteen per cent think they are "indifferent" and two per cent "harbored."

Seven out of 10 realize the hospital's board of directors receive nothing at all for their services. Thirty per cent mistakenly believe directors receive "some sort of compensation," either in the form of salaries or fees, or discounts on their own bills.

Nearly eighty per cent correctly understand that annual contributions by the public, combined with state and county payments, finance the greatest part of the care for which patients themselves cannot pay.

Slightly more than one-third recognize the fact that doctors on the staff receive no compensation for their services in treating patients who cannot afford to pay their own hospital bills. Nearly two-thirds are under the mistaken impression that doctors get either regular or reduced fees.

Approve Appeal For Funds

Ninety-six per cent said that, if income from patients and all other sources fails to meet the cost of running the hospital, an appeal for funds should be made to the public. Three out of each hundred would cut expenses without regard for standards of service, and one per cent would let the hospital run into debt.

Asked how they would finance an expansion program "if you were a member of the hospital's board of directors and found that a large sum of money to meet the cost of necessary expansion would have to be obtained locally," nine out of ten persons favor seeking public subscriptions in a community-wide campaign. Nine per cent would try to borrow the money on a mortgage and one person in a hundred would "abandon the project."

Nine out of ten persons, if about to become parents, would prefer to have their babies born at the Annie M. Warner Hospital.

Eighty-eight per cent would leave something to the hospital if they were making a will and were in a position to consider a bequest. Of these, 16 per cent would leave a substantial amount.

DUNCANNON, Pa. — This Perry County community was under a state of emergency today to conserve its dwindling water supply.

Borough authorities declared the emergency when the borough's reservoir, usually 14 feet deep, dropped to 18 inches, barely enough for a day's supply to the 1,850 residents.

enters American air space. The 12 crewmen boarding the plane in Moscow included three British Royal Air Force officers. It was their job to help navigate to London and Newfoundland.

Second Flight Sept. 14

Top members of the delegation are tentatively scheduled to leave Moscow aboard a second TU104 Sept. 14.

The Soviet government raised last-minute objection to landing at McGuire yesterday, but the United States refused to change the flight plan.

Russian Embassy officials in Washington complained that McGuire was 60 miles from New York, the destination of the passengers, and asked permission to land at Idlewild Airport, the usual arrival point for aircraft from overseas. Idlewild is 10 miles on the other side of U.N. headquarters.

May Land At Idlewild

The State Department did say the second jet liner could land at Idlewild if it passed a "noise level" test showing the craft's engines did not create an undue disturbance.

Jet airliners normally are barred from using nearly all American commercial airfields, officially because of the noise the jet engines make and the need for extra long runways.

The last Russian plane to land in the United States was a military aircraft that flew from Moscow to San Jacinto, Calif., in 1937. Just before the TU104 reached London today, Moscow radio boasted that the Soviet Union has still more advanced passenger aircraft which will appear soon on the world's air routes. It said one will be able to fly from Moscow to New York nonstop but gave no additional details.

of the Western Maryland Railroad asking a meeting between railroad and local officials concerning problems of blocking Fourth St. where the railroad crosses it. The letter was in response to a complaint sent by rounlri to the railroad. Councilman Mahlon P. Hartzell Sr. held that "the only solution is for the railroad to put up a long enough siding out of town to make up its trains. With upwards of 100 cars to be picked up here, the local siding facilities are not sufficient to take care of the traffic without blocking streets."

Council voted to pay to the Adams Council Free Library the \$800 the town had budgeted for the library.

Suggests Spotlights

A suggestion by Councilman Glenn Guise that overhead spotlights be placed at the street intersections in Lincoln Square to make police on duty directing traffic "more visible" to the motorists was turned over to the Safety Committee for study.

The Highway Department was authorized to purchase a few \$61 pump for its tar machine.

A letter from residents of the last block of S. Stratton St. asking repair to the alley east of S. Stratton St. and turning west at the Mrs. Arthur E. Roth property was referred to the Highway committee.

After reports of bad curbing on Carlisle St., council voted to send notice to Cloyd Shetter to repair a section of curb and sidewalk on Carlisle St. At the same time the borough engineer was instructed to check the exact location of a bad section of curb on the east side of Carlisle St., to determine whether the curbing at that spot is the property of the Hotel Gettysburg or the borough. The borough maintains part of the sidewalks around Lincoln Square beyond property lines. Under instructions given LeRoy Winebrenner, borough engineer, "if it's on the hotel side tell the hotel to fix it, if it's on our side, get the crew to work on it."

Mrs. Weidner's Rites Held Today

Funeral services for Mrs. Sarah Elizabeth Weidner, 95, York Springs, widow of Clayton Weidner, who died Saturday night at the Piney Mountain Home for the Aged, were held this afternoon at 2 o'clock at the Pittenruff Funeral Home at York Springs. The Rev. Amos D. Meyers, York Springs Methodist pastor, officiated.

Interment was made in Sunnyside Cemetery, York Springs. The pallbearers were Charles May, Robert Fair, Harry Helman, Elmer Coulson, Oscar Whitcomb and Parvin Bower.

NEW YORK (AP) — Prices were mixed as stock market activity remained sluggish early today. There was a tendency to the down-side.

Key issues fluctuated from fractions to around a point. Oils showed an easier tone after their advance of yesterday. Major steels and motors tended to back away despite reports of slightly rising steel production and of a pickup in steel buying for the new auto models.

A native of York, he graduated from Gettysburg College with the class of 1920. He served as chemist for the DuPont Co., was principal of East Berlin High School, dean of men at Shippensburg State Teachers College, head of the science department of Radnor High School and was head of the science department at Millersville since 1930.

The deceased was a veteran of World War I.

Funeral services Thursday at 11 a.m. at the Anstine Mortuary, 1701 W. Market St., York, conducted by the Rev. R. M. Rutter, Millersville. Interment in Greenmount Cemetery, York.

York Springs

LIONS PAINT SCOUT CABIN

York Springs Lions brought paint brushes along to their regular dinner meeting Tuesday evening and painted the framework of the Scout building during their evening meeting there. About 20 members attended and took part in the project. The Lions erected the cabin several years ago and have maintained it since. Melvin Prosser, the president, presided at the meeting. There was a business meeting after a picnic supper had been served.

Mr. and Mrs. Harold A. Smith took a trip through Virginia, West Virginia and western Pennsylvania over the Labor Day weekend.

The first Quarterly Conference of the York Springs Methodist charge will be held in the York Springs church Thursday at 8 p.m.

The York Springs 4-H girls club held their final meeting of the year recently at the Scout cabin in the form of a picnic. They had as their guests their mothers. Mrs. Melvin Prosser is their local leader. At the annual "Round Up" at Casstown the club had 100 per cent completion in their project which was "Let's Start Stitching." The girls modeled gathered skirts which they had made and displayed material with three different types of buttons sewed on as well as their completed record books. The group had a club exhibit at the Adams County fair and will have a club exhibit and individual exhibits at the South Mountain Fair this week. These girls served on the fair committee: Susan Bricker, Charlotte Leer and Yolanda Golden. As a club they have contributed fifty hours to community service so far this year.

Personal Items

Sunday dinner guests of Mr. and Mrs. James E. Behney and children were: Mr. and Mrs. James C. Behney who were married recently, Mr. and Mrs. W. Roy Stary and Mr. and Mrs. Norman R. Criswell.

Mr. and Mrs. Clair Kennedy entertained at their home on Sunday the following persons: Mr. and Mrs. Clyde Krause and son, Baltimore; Mr. and Mrs. Harold Kennedy, Le Moyne; Mrs. Elsie Hoffman, Mrs. Dorothy Wolf and son of York Springs.

Mrs. Reuben T. Sherrick and children, Beverly and Wayne, of Columbus, Ohio, are visiting with Mrs. Sherrick's parents, Mr. and Mrs. Norman Weigle, Latimore. Mr. Sherrick is in the U. S. Army and stationed in Georgia.

Mr. and Mrs. Clyde Krause and son, Baltimore, spent the weekend at the home of Mr. and Mrs. Clair Kennedy.

Change Meeting Place

Mr. and Mrs. Walter Howland, Shippensburg, spent the weekend at the home of Mr. and Mrs. Harold A. Smith.

The York Springs WCTU will meet at the home of Mrs. Edgar Leer on Friday night, September 13. It was previously scheduled to meet at the home of Mrs. Ralph Hikes.

The Young Adult Class of the York Springs Methodist Church will have the food stand at the sale of Hilary Kennedy on Saturday. They plan to start serving chicken corn soup, sandwiches, homemade pies and cakes at 10:30 a.m.

Mrs. Harold S. Smith entertained her music pupils recently at a picnic at their home, "Woods Edge," below York Springs. Approximately 30 pupils and guests enjoyed games

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times
TWENTY-FIVE YEARS AGO

Opening Of Gettysburg Schools
Postponed: Following closely upon the diagnosis of the illness of Ann Faber, six-year-old daughter of Mr. and Mrs. Fred S. Faber, Lincoln avenue, as infantile paralysis, on Sunday, the Gettysburg board of health, in special session, took steps to prevent a spread of the disease.

Meeting in special session at the office of Dr. C. G. Crist Sunday evening, the board adopted a resolution prohibiting all children under 18 from attending public gatherings, including schools, Sunday schools, churches, theaters, etc., until September 12.

The Faber child became ill Friday with symptoms of a heavy cold. On Saturday there was a noticeable stiffening of her one leg. Dr. Crist suspected infantile paralysis and called in Dr. W. B. Cadie, of Emmitsburg. Doctor Cadie confirmed the diagnosis of the local physician.

On Sunday the stricken child was rushed to the University of Maryland hospital, Baltimore, where all the facilities of modern medical science to fight the dread malady are available.

Civic Nursing Group Elects Officers: More than 20 members of the Civic Nursing association met in their twenty-first meeting at the home of Mrs. H. C. Pickering, Center square, Tuesday evening.

In addition to Dr. Herbert C. Allman, re-elected president, the officers to serve the following year are as follows: Miss Annie Horner, first vice president; Miss Mary Ramer, second vice president; Mrs. D. F. McPherson, secretary and I. L. Taylor, treasurer.

Infantry Band Reunion: The annual reunion of the Fourth Infantry band of the A.E.F. was held over the week-end at the home of Lloyd Garretson, north of Biglerville.

Cristies Close Season With Victory Friday: Doc Crist's baseball team closed a successful season Friday by turning in a 6-3 victory over the strong Mummaburg nine.

The game was featured by the air-tight pitching of "Hen" Bream for the Cristies. The hitting of "Bob" Gilbert for the locals also furnished a highlight for the game.

Doolittle Hits 252-Mile Pace To Win Air Race: Cleveland — America's flying speed champion, Major James H. Doolittle pictured the finale of the 1932 national air races Monday by roaring over the course at an average speed of 252.68 miles an hour to win the classic Labor Day race. First prize was \$4,500.

Four Counties To Administer Aid Funds Here: Governor Pinchot has announced the appointment of a board of four residents of Adams county to administer the funds appropriated by the Talbot fund passed at the 1932 special session of the state legislature.

Dr. Henry W. A. Hanson was named chairman of the local board. The other three members are Miss Margaret McMillan, Mrs. R. S. Saby and M. E. Knouse, the last mentioned, of Arendtsville.

The four Adams counties, together with similar boards in the other 66 counties are to meet with Governor Pinchot Wednesday afternoon.

Move To Emmitsburg: Mr. and Mrs. D. Luther Beegle moved on Thursday from the Eckert building, Center square, to Emmitsburg. Mr. Beegle, a chiropractor here for several years, plans to open an office in Emmitsburg.

Eddie Crist Enjoys Olympics: Eddie Crist returned home Wednesday with his mother from an extended trip to the Pacific coast.

While in the west Eddie attended the Olympic games and saw practically every event on the international sports calendar.

Today's Talk

INTERESTING TALK
There is a death of interesting talkers in the world! Too many who merely talk, without saying anything either interesting or instructive. We listen to the one who talks interestingly about a subject in which we too are interested. That makes for good talk.

The good talker is selective in his choice of those to whom he would like to listen. Famous were the groups that came to Dr. Johnson's "talkfest." They were the thinkers of his time. All left with the knowledge that something had been learned, as well as having been entertained. After one of these doctor remarks: "Well, didn't we have good talk!"

It's always good talk when mutual friends get together and talk about things in which each is interested. Travelers, artists, fiction writers, and people with a useful and fascinating hobby invite good talk and many a friendship has been cemented after an exchange of thoughts.

Emerson, Thoreau, the Alcotts, and Hawthorne were intimate friends and I am sure that none of them met without interesting talk, even though that talk might be no more than about the activities of Concord, their home. Small town people are usually thinkers, and have creative minds. Most of our great men and women have come from small towns where the talk was intelligent and revealing. I have always enjoyed talking with farmers, fisher folk, and local storekeepers. They have individual views of an uncommon type.

If you wish to be an interesting talker, enrich your mind with books, cultivate happy contacts, welcome new experiences, take an interest in others, and carry the triumphant spirit around with you where ever you go.

Tomorrow Mr. Adams will talk on the subject: "Evidences of God"

Just Folks
ALERT
(Leo—Time of great changes)
I sit on the edge of the chair
And will, till the long day is ended,
Alert those surprises to share.
With triumph may they be attended.

As a Leo I'll be a go-getter;
But if your predictions are true,
Are those changes for worse or for better
Is something I wish that I knew.

New-Born Girl Found Dead In Small Bag
HARRISBURG (AP) — State police were attempting to uncover the identity of a new-born girl found yesterday stuffed in a green overnight bag along a back road.

Capt. Robert Smith said, "there is always the possibility of murder." Edward Bates, Harrisburg R.D., discovered the body while hunting a scrap near the Lower Paxton-East Hanover Twp. line in eastern Dauphin County. Dr. John A. Fritchey, deputy coroner, said the body couldn't have been in the bag more than two days. It was turned over to a pathologist for determination of what caused death.

On-The-Job Deaths Increased By 19
HARRISBURG (AP) — The Labor and Industry Department reports an increase of 19 deaths due to on-the-job accidents for the first seven months of 1957 compared with the same period of 1956.

Department records showed 49,397 work injuries, close to 1,000 under the 50,277 recorded in the first seven months of 1956. The death toll this year was 453 compared with 434.

There was an increase of 4.6 per cent over July 1956 accidents this July. The total was 7,406.

James MARLOW Reports

The Associated Press

WASHINGTON (AP) — President Eisenhower has been something less than vigorous in supporting federal judges who ordered public school integration in the South and then ran into opposition. Patience has been his motto.

Patience, in fact, has been one of his most persistent policies toward problems at home and abroad. He's been using it for all it's worth toward the problems arising from attempts at integration.

Eisenhower, who carefully avoids saying anything to offend Southerners, except for criticizing "extremists on both sides," has never yet said publicly he approves the Supreme Court's ban on public school segregation.

"I am for moderation," he has said, "but I am for progress." And there has been progress toward integration. Whether there would be much more if he spoke out forcefully for integration is so far one of the unknowns of history.

He used his patience again yesterday when Arkansas Gov. Orval Faubus blocked a federal court order to integrate Little Rock's Central High School by ringing it with National Guardsmen.

Faubus denied he was defying the court and said he called out the troops to keep peace and order. But he also said his action could possibly develop into a "Southwide test."

Being Investigated
But the school board — which had been ordered by Federal District Judge Ronald N. Davies to integrate the school — interpreted Faubus' use of troops as an effort to prevent integration and ordered would-be-negro students to stay away.

Only a week ago Faubus had asked a state judge to prevent integration at Central High.

Eisenhower was asked about all this at his news conference yesterday. He said the Justice Department was investigating and "the next decision will have to be by the lawyers and jurists."

Thus Eisenhower once again avoided becoming personally involved although this may have been good comfort for Judge Davies, who had to stand by and see his integration order stymied.

But the judge appeared capable of standing on his own two feet. Since the school board, because of the troops, had stopped integration it faced the possibility of being found in contempt of the court's order to integrate.

So the board appealed to the judge last night. The judge promptly called the governor's hand-by ordering the board to go ahead and register the Negroes.

This left the next move up to the governor who now, if the troops in any way prevented negro registration, could find himself in defiance of the federal government and possibly in contempt of court.

Teachers To Get More State Help
HARRISBURG (AP) — A new bureau in the Public Instruction Department will try to help teachers keep informed on the subjects they teach.

"The bureau will be a clearing house for the latest information about the courses of study and teaching techniques being used in our schools," said Paul Glazier, director of the educational field services bureau. He explained that the department has learned that a "number of teachers lack essential knowledge of the things they teach."

He said this was particularly true in the elementary arithmetic and Pennsylvania history fields. The bureau will maintain a team of experts to help school districts.

'Asian Flu' Was Only Common Colds
LEBANON, Pa. (AP) — A laboratory analysis of 30 patients who became sick at the Lebanon County Home shows the patients suffered common colds.

Visiting hours at the 150-patient institution were canceled Friday when authorities feared there might be an outbreak of Asian flu. Dr. Irvin S. Lape, doctor at the institution, said visiting privileges were reinstated yesterday after results of the lab tests were received.

Five Garages Vanish Before 'Dozer, Beers

MEDIA, Pa. (AP) — Five garages are missing in nearby Concordville today and state police blame it on an indignant interior decorator, a happy-go-lucky bulldozer driver and a few beers.

The garages used to be behind the home of Donald Baeshore, 46, the decorator. He thought they were an eyesore.

State Police Pvt. Earl Glasser said Baeshore was talking about them over some beers in a bar two weeks ago with a bulldozer operator, Charles Bennett.

Dim View By Owners
Glasser said Bennett offered to get rid of them.

The garages were pushed into a nearby ravine and all but buried beneath five tons of dirt. The biggest clue to their disappearance, Glasser said, was the bulldozer tracks.

The tracks led to Bennett, he said, and Bennett led to Baeshore. Glasser led both men to Justice of the Peace A. Randall Mathews, who held them in \$1,000 bail each for a further hearing on malicious mischief charges.

The garages were owned by Concord Foods, Inc., which took a dim view of the whole thing.

'Asian Flu' Was Only Common Colds
LEBANON, Pa. (AP) — A laboratory analysis of 30 patients who became sick at the Lebanon County Home shows the patients suffered common colds.

Visiting hours at the 150-patient institution were canceled Friday when authorities feared there might be an outbreak of Asian flu. Dr. Irvin S. Lape, doctor at the institution, said visiting privileges were reinstated yesterday after results of the lab tests were received.

Warren Spahn Gets 41st Shutout Of Career As Braves Beat Cubs; Phillies Win In 12 Over Dodgers

By ED WILKS

The Associated Press

Wonderful Warren Spahn, now the National League's all-time southpaw shutout king, has the edge for the Pitcher of the Year award today while right-hander Jack Sanford, Philadelphia's late-comer, likely will have to be satisfied with the league's rookie citation.

Spahn, the 36-year-old master of Milwaukee's first-place Braves, moved ahead of Sanford and left-hander Billy Pierce of the Chicago White Sox and gained his 41st career shutout yesterday in an 8-0 victory over the Chicago Cubs.

It was Spahn's 18th victory, matching Pierce for the major league lead, and kept the easy-running Braves 8½ games ahead of the second-place St. Louis Cardinals, who clobbered Cincinnati 14-4.

Tigers Chill Chisox

Sanford, a 28-year-old rookie, missed a big bid to keep pace in victories when he was lifted for an eighth-inning pinchhitter as the Phils took a 12-inning, 3-2 victory over Brooklyn.

In the American League, New York's "struggling" Yankees regained a 3½-game lead with a 2-0 victory at Baltimore while Detroit chilled the second-place White Sox 3-2 in 12 innings. Those were the only AL games scheduled.

The New York Giants defeated Pittsburgh 6-5 in 12 in the other NL game.

39th For Aaron

Spahn got past the pesky seventh-place Cubs with a six-hitter, striking out five and walking only one. Southpaw Dick Littlefield matched Spahn's whitewash job for six frames, then dropped his third in a five-run seventh with three of the scores unearned. Hank Aaron then made it a romp with his 39th homer, good for three runs, in the eighth.

The NL record for career shutouts was set at 90 by Grover Cleveland Alexander.

Sanford was tagged for both meager hits the Dodgers managed, two by Gil Hodges. Dick Farrell and Bob Miller, who pitched the 12th, no-hit the Brooks over the last five with Farrell winning his seventh.

Anderson Homer In 9th

The Phils had only three hits for eight, but Harry Anderson then junked Don Drysdale's bid for a second consecutive shutout with a two-run, two-out homer in the ninth that tied it. Ex-Dodger Chico Fernandez tripled and Willie Jones, batting for Farrell, hit a long fly for the clincher.

The Cardinals rapped loser Joe Nuxhall and five relievers for 16 hits. They scored eight, two on Del Ennis' 18th homer, in the first two frames. Wilmer Mizell, who doubled home three runs, was tagged for solo home runs by Pete Whisenant and Smokey Burgess, but hung on with a 10-hitter.

Bill Skovron's bat won for the Yankees. He had two of their three hits, one his 17th home run, over the first seven against loser Billy O'Dell, then added an RBI single in the ninth off Billy Loes. Tom Sturdivant won his 13th, but needed ninth-inning relief from Sal Maglie, who retired the side in his Yankee debut.

Mantle 6-For-4

Mickey Mantle was 6-for-4, losing three points for a .370 average in his bat race with Ted Williams. The Boston thumper, hitting .376, will miss the two-game series opener at Yankee Stadium tonight because of a virus infection.

Al Kaline thumped the White Sox, swatting his 21st home run to lead off the 11th. He also singled home a run in the first off Bob (No-Hit) Keegan. Gerry Staley lost in relief for a 5-1 record. Billy Horst won his seventh with an eight-hitter, giving up homers to Larry Doby and Walt Dropo.

Home runs by Willie Mays, Danny O'Connell and Valmy Thomas brought the Giants a 5-1 tie, then Ray Jablonski lofted a sacrifice fly after two walks and an error had loaded the bases.

New Tax Forms Will Make Filing Easier

HARRISBURG (AP)—Most corporations filing state tax returns this year can look forward to an easier job—in most cases 50 per cent less work, the State Revenue Department reports.

The department said the reduction in work will be made possible by a 1957 amendment to the Fiscal Code which approved new and combined reporting forms.

The new law provides for a uniform April 15, 1958, filing date for all calendar year 1957 corporate tax reports and a corresponding 105-day filing period for corporations using the fiscal year.

Grid Open House On GHS Athletic Field Tonight

All preparations have been completed for the first football "open house" to be held this evening on the Gettysburg High School football field.

A large crowd of fans, parents and students is expected for the program which will start at 7:30 when the high school band will present a half-hour concert.

Guile W. Lefever, principal, will welcome the fans, and George Forney, athletic director, will introduce Ben Jones, new Warrior coach. Jones will present the football squad and members of the coaching staff. The coaches will speak on the many phases of football. A half-hour scrimmage by "red" and "white" teams will be staged after which fans will be permitted to go onto the field to mingle with the players.

There is no admission and the entire public is welcome. In the event of inclement weather the program will be held in the school gymnasium.

Eastern League

Binghamton's hopes were set on the No. 2 today in the Eastern League pennant race.

Two Binghamton victories and two Schenectady defeats between now and the end of the season would clinch the flag for the Triplets.

Binghamton, now leading Schenectady by 3½ games, plays at Allentown tonight, is idle Thursday, then goes home to take on Springfield in three climactic games. Schenectady finishes its home series against Albany with a double-header tonight then ends up with three single games against Allentown beginning Friday.

The Jays chipped a half game off the Triplets lead by winning the first game of last night's double-header against the Senators. The Triplets suffered a 2-1 loss at Allentown, where George Altken's three hit pitching and Andy Rellick's home run bolstered the Chiefs.

At Schenectady, Chuck Essegian's 18th homer of the season gave the Jays a narrow 5-4 edge in the opener, but the fourth-place Senators came back strong with a 12-hit barrage in the nightcap, which they took 9-1.

The Reading Indians had their circuit clouters too in Don Dillard and Mitch June, who helped realize a 7-2 triumph over their visitors, the last-place Springfield Giants. The Indians now are 12 games behind in third place.

Norristown Will Remain A Borough

NORRISTOWN, Pa. (AP)—For another year at least Norristown will remain the largest borough in Pennsylvania.

Borough Council last night threw out a petition that would have allowed the voters to decide whether Norristown should become a third class city.

Council said that the petition failed to contain sufficient signatures of qualified electors. State law provides that 200 signatures are necessary. Councilmen reported that though 212 names were on the petition, not more than 194 were qualified residents of the borough.

There are now 47 third class cities in Pennsylvania.

over the weekend, cooler again by Monday, showers Saturday or Sunday will total 25 to 33 inches. Western Pennsylvania, western New York, and West Virginia: Temperatures will average 4 to 8 degrees below normal. Cooler Thursday, warmer Saturday and cooler again Sunday and Monday. Showers about Saturday will total 20 inch or less.

FOUR ARE FREE IN CONSPIRACY TRIAL IN WEST

PORTLAND, Ore. (AP)—The state gave up four more conspiracy charges in the Portland vice investigation yesterday.

Mayor Terry Schunk, former Dist. Atty. William Langley, Teamsters Union official Clyde Crosby and Sheriff's Deputy George Minelli were freed of charges they conspired to obtain wiretaps.

The indictments had accused them of plotting illegally to get hold of tape recordings seized in a raid by sheriff's deputies on the home of Raymond Clark last year. Schunk then was sheriff.

The recordings were used as evidence when Clark and his employer, gambler Big Jim Elkins, were convicted in federal court last spring of wiretapping.

Dismisses Charge
A State Circuit Court judge dismissed the charges on motion of the state attorney general, Robert Thornton, who said the facts in the indictments did not constitute a crime. Thornton earlier said he opposed the indictments, but a grand jury returned them anyway.

An identical indictment against Oregon Journal reporter Brad Williams was dismissed earlier when his attorney attacked it in court.

2 Were Acquitted

Schunk and Crosby also have been acquitted in vice trials. Schunk was freed of a perjury charge and Crosby of an accusation he conspired to accept a bribe while a member of a city commission.

There remain several other indictments against Crosby and a charge that Schunk attempted to induce two women to give false testimony about Elkins' character.

Langley was found guilty of failing to prosecute gambling laws. He has appealed, but in the meanwhile has been removed from office.

IBC Expected To Take Court Appeal

NEW YORK (AP)—The International Boxing Club was expected today to appeal to the Supreme Court in Washington the refusal of Federal District Judge Sylvester J. Ryan to reverse his ruling that the IBC operated a monopoly in promotion of championship boxing bouts.

"We'll have to meet with counsel and see what the next move will be," said Harry Markson, managing director of the IBC of New York after Judge Ryan denied a motion to reverse his March 8 ruling.

Judge Ryan ordered dissolution of the IBC of New York and the IBC of Illinois in a decision June 24. He directed James D. Norris, president of the New York IBC, and Arthur M. Wirtz of Chicago, head of the Illinois IBC, dispose of all their stock in Madison Square Garden.

Delegates Discuss Route 11 Expressway

WASHINGTON (AP)—A central Pennsylvania delegation representing the "Original Route 11 Assn." meets today at 2 p.m. with Bertram D. Tallamy, federal highway administrator, to discuss plans for a proposed Route 11 expressway in Pennsylvania.

The delegation proposes a general location that would carry the new highway east of the Susquehanna River from Binghamton, N.Y., to Hagerstown, Md., via Scranton, Ashland and Harrisburg.

The new route would be a part of the interstate network to be financed 90 per cent by federal funds.

Football Season Ticket Sales Will Be Conducted By High School Students

A new promotion sales program of season tickets for 13 home football games—five varsity, three junior varsity, three Junior High and two "Spider" contests—will be inaugurated during the activities period in the home rooms at Gettysburg Senior and Junior High School Thursday afternoon, it was revealed today by George Forney, athletic director.

The reserved seat season tickets will sell for \$5, with choice seats going to the early purchasers. General admission for each varsity game during the coming season will be 85c.

Pupils taking part in the sale of tickets will be rewarded according to the number they sell.

Top Sellers To Profit

Any pupil selling 10 tickets will be credited with a paid up school budget ticket for the entire year. Students selling less than 10 will receive credit for one week toward his or her budget for each ticket sold.

Fans wishing to do so may telephone the high school office, or Mr. Forney for season tickets, designating which student is to be

LEAGUE NAMES CO-CHAMPIONS

The Fairfield Amvets and Orrtanna were officially designated as co-champions of the Fairfield Lions League at a meeting of league officials Tuesday evening at Fairfield High School.

Due to the lateness of the season it was decided to terminate the series to decide the league titlist. Orrtanna won the first game 4-2 while the Amvets copped the fourth game 15-4. In between the teams battled to a 2-2 deadlock while another game was stopped by darkness.

The Amvets won the first half championship and Orrtanna took the second half title to gain the title series.

Richard Straup, league director, said today another meeting of managers and directors will be held Tuesday evening, September 24, at Fairfield High School where plans will be laid for raising money for the purchase of uniforms for next season and other plans for the future will be made.

Colts Host 'Skins Sunday Afternoon

Another meeting of the Baltimore Colts and Washington Redskins—professional football's counterpart of the "Hatfields" and "McCoys"—comes off Sunday afternoon at 2:05 o'clock in Memorial Stadium, Baltimore.

The game will be televised over 175 stations of the Columbia Broadcasting System but the Baltimore area will be "blacked out."

The Colts won last year's pre-season joust, 21 to 13. This is a different occasion and the Redskins will come into the Stadium hungry not only for revenge but their first win of the current pre-season program. They have been defeated by Los Angeles, San Francisco and Detroit.

The Redskins are much too talented for such reversals to continue. They have such established pros as Eddie LeBaron, Gene Brito, Dale Atkinson and Sam Baker—along with newcomers Don Bosser, Joe Walton, Ed Sutton and Joe Podoley.

Baltimore tied the Chicago Bears, 24 to 24, and tripped Philadelphia, 17 to 10. The Colts have gotten fine rookie help from Fullback Billy Parker, Tackle Jim Parker, Steve Myrha, Milt Davis, Don Shinnick and Andy Nelson.

BIG NARCOTICS SMUGGLING RING SMASHED TODAY

NEW YORK (AP)—A giant international narcotics smuggling and distribution ring was reported smashed today with the opening in federal court of a sealed indictment naming 46 defendants and 16 co-conspirators.

A roundup of scores of persons in the New York City area already had been reported.

Head of the gigantic imported heroin, cocaine and opium from France and other countries, and on at least one occasion it smuggled in about 50 pounds of pure heroin valued on the illicit market at \$3,500,000, according to U. S. Atty. Paul W. Williams.

Inspectors Corrupted

The indictment was returned Aug. 28, sealed and opened today in the chambers of U. S. Dist. Judge Edward Weinfeld.

The ring used many "underhanded" methods in its operations on an untold number of customs inspectors were "corrupted" by it, in agreeing to facilitate the smuggling of narcotics through New York, Williams declared.

Those inspectors have since been discharged, he added. They were not identified.

The huge ring diluted, distributed and sold the narcotics at fantastic prices, after the dope's arrival here, Williams said.

He added that the narcotics were distributed in New York, Washington, D. C., Illinois, Ohio, Michigan, Pennsylvania, California, Massachusetts and other places.

Military Plane Is Forced Down

SCRANTON, Pa. (AP)—A military plane carrying 81 troops made an emergency landing at Scranton-Wilkes-Barre Airport yesterday after developing engine trouble.

The plane, an Air Force C124 Globemaster, was en route from Stewart Air Force Base, N.Y., to Pope Air Force Base, N.C., when an engine developed a runaway propeller. The troops continued their trip after being transferred to another Globemaster.

In Philadelphia, an American Airlines Convair made an emergency landing at International Airport on one engine. The plane was carrying 20 passengers from Washington to New York. They continued their trip on another plane.

Herb Score Hopes To Be Pitching Soon

CLEVELAND (AP)—Southpaw Herb Score says he will pitch again "as soon as I think my depth perception is good enough—this month, I hope."

It will be four months Saturday since the Cleveland Indians' star was felled by a liner off the bat of Gil McDougald in a night game here with the New York Yankees. The ball hit him flush in the right eye and caused the retina to swell.

"I feel alright, and I can see pretty well," Score said last night. "In fact, I can see a lot better than I could a few months ago. But when I am on the mound I have trouble picking up the ball as soon as it leaves the bat. Sometimes I reach for it, and it isn't there."

CONFIDENT NEW ALTHEA GIBSON WINS HER MATCH

By ED CORRIGAN

FOREST HILLS, N. Y. (AP)—There is a new Althea Gibson seeking the national tennis championship this year.

The old Althea Gibson was nervous, high strung, irritable. The new Althea Gibson is calm, confident, poised.

The 30-year-old Miss Gibson first came to Forest Hills in 1950, an unknown Negro girl from New York's teeming Harlem. She caused a ripple by almost beating Louise Brough.

Beats Britisher

She came each year only to be frustrated. Last year she made it to the final only to be beaten by Shirley Fry. She was jumpy that day on the center court and her game showed it.

Now, as Wimbledon champion, she fears no one in her quest to join the select circle of Wimbledon-U.S. champions. Only Helen Wills, Alice Marble, Maureen Connolly, Pauline Betz and Miss Fry are members of the exclusive club.

In yesterday's play Miss Gibson eliminated Britain's Sheila Armstrong 6-2, 6-1; Mrs. Hawton turned back Mrs. Pat Todd, La Jolla, Calif., 6-4, 6-1; Mrs. Knobe whipped Ann Shilcock of Britain 6-2, 6-1; Miss Felix upset Christine Truman of Britain 6-2, 6-1; and Miss Brough defeated Lorna Raymond, Covina, Calif., 6-0, 7-5.

Seixas Plays Today

In the men's division, Ashley Cooper of Australia, Budge Patty of Los Angeles and Cliff Mayne of Fort Monmouth, N.J., jumped the pack and gained the quarter-finals. Cooper turned back Tony Vincent, New York, 6-3, 6-2, 6-2; Patty crushed Don Fontana of Canada 6-4, 6-2, 9-7; and Mayne prevailed over Don Thompson, New York, 7-5, 6-3, 6-4.

SAYS A-BOMBS WILL BE USED TO MAKE QUAKE

By ALTON L. BLAKESLEE
AP Science Reporter

TORONTO (U.P.)—Atom bombs will someday be exploded underground to make earthquakes, an Australian scientist predicts.

It will be done just for science and peaceful knowledge, he said. Shock waves from the bombs can help solve mysteries of what the insides of the earth are like from its thin upper crust down toward its metallic heart.

The prediction comes from Prof. K. E. Bullen, seismologist of the University of Sydney. He says earthquake specialists two years ago asked Washington, Moscow and London for up to four A-bombs for just such use.

"Must Come"
Bullen, addressing the International Union of Geodesy and Geophysics, wouldn't disclose the details. But he said such planned explosions must come sooner or later to advance scientific knowledge.

Some A-bomb and H-bomb tests have incidentally given scientists new insights into the earth's interior makeup, he reported.

Bullen said shock waves from British bomb tests in Australia last year had supplied indirect evidence that the inner core is solid metal. The same waves indicated a thickness of 20 miles for the upper layer of the earth in Australia.

From shock waves recorded from Nevada bomb tests in 1951, Prof. Beno Gutenberg of the California Institute of Technology figured the outer layer of the earth in that area was 20 to 25 miles thick.

COOL WEATHER HITS MIDWEST

By THE ASSOCIATED PRESS

A touch of autumn weather chilled the northern Midwest and cooler air spread across the northeast quarter of the country today. As the cool Canadian air moved into the Northeast, temperatures dropped into the 60s in most areas from Kansas through the Ohio Valley to the Atlantic Coast and northward through New England. Light rain fell in scattered areas along the Appalachians.

Lower temperatures and scattered light showers were reported from the Dakotas through most of the Great Lakes region. Thunderstorms rumbled across areas in Texas, Oklahoma and eastern Colorado during the night.

Most severe storm was reported at Eldorado, Tex., which was lashed by winds of 75 m.p.h. and heavy rain. The city was drenched with nearly 3 inches of rain in one hour.

KENNEDY GOES TO DETROIT IN HOFFA PROBE

DETROIT (U.P.)—James R. Hoffa's chief inquisitor in the U.S. Senate Rackets Committee investigation—Robert F. Kennedy—was in Detroit today taking personal charge of a probe in Hoffa's home city.

He was noncommittal except to indicate Hoffa's financial affairs would be a part of his work.

On arrival yesterday, he talked to several men from Hoffa's Teamsters Union, including Joseph Prebenda, secretary-treasurer of Teamsters Local 372. Prebenda is one of the top men in the Teamster ranks here.

To Call Hoffa Again
Hoffa, union vice president, is to be recalled to Washington for further testimony before the committee.

Kennedy said he would be in Detroit the rest of this week and probably a part of next week.

The Senate committee has said Hoffa has borrowed \$89,000 from subordinates in the Teamsters Union and from representatives of managements with which his union had contracts.

BEAUTY PARADE ON BOARDWALK

ATLANTIC CITY, N.J. (U.P.)—The 51 contestants vying for the Miss America 1958 title take part today, tomorrow and Friday in preliminary swim suit, evening gown and talent competition.

The new Miss America will be chosen before a nationwide television audience Saturday from girls representing 45 states, Canada, Puerto Rico, Hawaii, New York City, Chicago and Washington, D.C.

The contest formally got under way last night with a dazzling parade of the contestants down this resort community's famed boardwalk.

Littlestown 155 PAROCHIAL PUPILS BEGIN WORK TUESDAY

One hundred and fifty-five pupils reported for the fall term at St. Aloysius Parochial School, at the opening sessions on Tuesday morning.

The enrollment by grades follows: Grade one, 27; Grade Two, 20; Three, 21; Four, 25; Five, 21; Six, 18; Seven, 11; Eight, 12. The teachers are Sister Mary Angelita, for Grades One and Two; Sister Mary Hubert, principal and Grades Three and Four; Sister Mary Anita, for Grades Five and Six; Sister Mary Casimir, Grades Seven and Eight.

The children attended the 8 o'clock mass prior to school. The pastor, the Rev. Fr. William A. Boyle, spoke briefly to welcome the teachers and pupils, and noted that Tuesday was the Feast of the Anniversary of Pope Pius X, who did much in the interest of children throughout the world.

Announces Committees
Father Boyle, pastor of St. Aloysius Catholic Church, has announced the committees to serve at the weekly Saturday night public party in the parish hall, as follows: arrangements, John R. Rudolph Jr., chairman, William Hood, Louis Small, Stewart N. Long, Thomas French, Raymond Smith, Francis Smith, Charles Shusser and Paul Spangler; refreshments, Mrs. Donald L. Belford, chairman, Mrs. Malcolm Schildt, Mrs. Allen Walters, Mrs. Lloyd Weaver, Mrs. Conrad C. Hull and Mrs. William Riordan.

In preparation for the first Friday of the month, confessions will be heard in St. Aloysius Church on Thursday from 2:45 to 3:30 p.m. and 7 to 7:30 p.m. Holy Communion will be distributed outside of mass on Friday at 5:45 and 7 a.m., with mass at 7:30 a.m. A special collection for the Holy Father will be received at the masses on Sunday at 7 and 9:30 a.m. A guest priest will speak at the masses, and will open the mission that evening, which will continue all next week. The Holy Name Society will receive new members at a communion breakfast to be served in the parish hall by the women of the church on Sunday morning, Sept. 15, following the first mass.

The annual pilgrimage to the tomb of Mother Seton at St. Joseph College, Emmitsburg, will take place Sunday at 2 p.m. The pilgrimage is being sponsored by the Conewago Deanery Council.

Thousands of spectators watched the 2½-hour parade led by grand marshal Bess Myerson, Miss America 1945. The parade featured 42 floats and the music of 23 bands. Eighteen contestants rode on floats while the others sat atop specially designed convertibles.

Police dispersed about a dozen hikers, mostly youths, who jeered the negro students at Greensboro. Reject New Appeal

At Durham, the Board of Education unanimously rejected appeals by parents of nine negro students for reassignment to the nearest nonsegregated school in their area.

Seventeen negro pupils were ready to begin integrated classes today at Sturgis, Ky. W. W. Waller, president of the Union County Citizens Council, said the council is prepared to boycott Sturgis High if negroes are admitted. The negroes were enrolled yesterday while a boisterous crowd of about 250 persons milled outside. Beer cans were thrown toward the school, a few pebbles sailed through the air and firecrackers were set off.

A small crowd assembled at the Morganfield, Ky., high school but no negro students showed up. James Martin Van Leer, son of the NAACP chapter president at Madisonville, Ky., was the only negro to register in Hopkins County's white schools.

Wait All Facts

A crowd also assembled at Clay, Ky., where National Guardsmen were needed to maintain order last year but no negroes applied for admission. The school principal said none were expected.

Department of Justice officials indicated in Washington that no action would be taken at Little Rock until all facts are in hand. Department officials noted several

See Rich Benefits For Pa. In Oil Tests

HARRISBURG, Pa. (U.P.)—A state official predicts Pennsylvania may benefit by millions of dollars when it leases the first offshore oil and gas drilling rights along Lake Erie later this month.

"We have no hope of this being any way near as big as the offshore operations now under way in the Gulf of Mexico and off the coast of California," said Robert C. Barwick, but it could well mean millions of dollars for Pennsylvania just the same.

The state has fixed Sept. 24 to receive bids for leasing of two sections off Lake Erie, one 19,300 acres and the other 16,500 acres. Leases will be awarded the highest bidders with each operator required to pay the state royalties of an eighth of the field price of oil or gas that is recovered.

Pennsylvania owns about 735 square miles of land under Lake Erie and will be the first state to lease drilling rights although drilling is being done from the Canadian shore.

People who can easily pay any price say:

"Pay more... what for? Ford's the buy!"

Why? Because this 1957 Ford gives you the advanced features, the solid ride, the effortless handling that you once expected to find only in expensive cars. And when it comes to looks, where in all the world can you find fresher styling than in the sculptured-in-steel lines of this new Ford?

Ford's superiority is evident in many places. In the vital rear axle, the pinion gear that turns the rear wheels is straddle-mounted... supported between two anti-friction bearings instead of being "overhung" from a single bearing. This makes operation quieter, smoother and longer-lasting. It's a feature that Ford shares with only one other car maker—Rolls Royce.

Or consider Ford's famous V-8 engine. No other manufacturer in the industry today electronically balances every V-8 engine, while operating under its own power, the way that Ford does. This means you get a smoother-running engine—the finest V-8 in Ford's 25 years of V-8 leadership.

These are only a few of the important hidden values that are yours in the new kind of Ford. But they indicate why so many people who can pay almost any price for a car—people who have driven expensive cars for years—are buying Ford today. SAYS A-BOMBS WILL BE USED TO MAKE QUAKE

By ALTON L. BLAKESLEE
AP Science Reporter

TORONTO (AP) — Atom bombs will someday be exploded underground to make earthquakes, an Australian scientist predicts.

It will be done just for science and peaceful knowledge, he said. Shock waves from the bombs can help solve mysteries of what the insides of the earth are like from its thin upper crust down toward its metallic heart.

The prediction comes from Prof. K. E. Bullen, seismologist of the University of Sydney. He says earthquake specialists two years ago asked Washington, Moscow and London for up to four A-bombs (or just such use).

"Must Come"

Bullen, addressing the International Union of Geodesy and Geophysics, wouldn't disclose the replies. But he said such planned explosions must come sooner or later to advance scientific knowledge.

Some A-bomb and H-bomb tests have incidentally given scientists new insights into the earth's interior makeup, he reported.

Bullen said shock waves from British bomb tests in Australia last year had supplied indirect evidence that the inner core is solid metal. The same waves indicated a thickness of 20 miles for the upper layer of the earth in Australia.

From shock waves recorded from Nevada bomb tests in 1951, Prof. Beno Gutenberg of the California Institute of Technology figured the outer layer of the earth in that area was 20 to 25 miles thick.

COOL WEATHER HITS MIDWEST

By THE ASSOCIATED PRESS

A touch of autumn weather chilled the northern Midwest and cooler air spread across the north-east quarter of the country today. As the cool Canadian air moved into the Northeast, temperatures dropped into the 60s in most areas from Kansas through the Ohio Valley to the Atlantic Coast and northward through New England. Light rain fell in scattered areas along the Appalachians.

Lower temperatures and scattered light showers were reported from the Dakotas through most of the Great Lakes region. Thunderstorms rumbled across areas in Texas, Oklahoma and eastern Colorado during the night. Most severe storm was reported at Eldorado, Tex., which was lashed by winds of 75 m.p.h. and heavy rain. The city was drenched with nearly 3 inches of rain in one hour.

SAYS IKE MAY TALK TO U.N. ON DISARMAMENT

WASHINGTON (AP) — Sen. Humphrey (D-Minn.) said today there is a growing possibility President Eisenhower may make a personal appearance before the United Nations General Assembly to dramatize Western disarmament proposals.

Humphrey, chairman of the Senate Disarmament subcommittee, said his group has urged unanimously that the United States carry its disarmament proposals before the U.N. He said the State Department favors such a course. The regular Assembly meeting starts Sept. 17.

"But some of us on the committee feel that a more effective case can be made out if President Eisenhower himself lays it out before this court of world opinion with all his international prestige as a man of peace," Humphrey said in an interview.

Talks Near End
"I believe such a step by the President is a growing possibility."

Humphrey advanced his view as the four Western powers — the United States, Britain, France and Canada — agreed to continue the London negotiations with Russia as long as there is a possibility the Soviets may show serious intention to help end the arms race.

But it was believed that the talks being carried on by a five-member U.N. Disarmament subcommittee are in their last week.

ADVERTISE IN THE TIMES

200 LUMBERMEN OUT ON STRIKE

JOHNSONBURG, Pa. (AP) — Some 200 lumbermen in northwestern Pennsylvania struck yesterday to enforce demands for union recognition, higher wage scales and a hospitalization plan.

The timbermen, members of Local 2855 of the AFL-CIO United Brotherhood of Carpenters — Wood Joiners of America, struck about 25 wood jobbers and contractors in Elk, Cameron, Potter, McKean and Forest Counties.

Felix Nashadja Jr., local president, said about 200 of the 800 timber workers in that five-county area have joined the union. He charged that the jobbers have refused to bargain with the union.

Ask Increase
Nashadja said the union seeks a 40 per cent increase in present pay scales. He said workers now receive \$6.30 to \$6.50 for cutting a cord of wood. The union wants the scale upped to \$8.32 a cord.

Nashadja said that under present pay scales, "a good man" earns about \$13 a day. He said older workers earn about \$1 an hour.

A spokesman for the jobbers was not available for comment.

Two Homes Miraculously Empty, Destroyed By Jet; Pilot Killed

ST. LOUIS (AP)—Almost any other Tuesday at 5 p.m., the Charles Schneiders and Raymond Meyers would have been at home.

Yesterday a Navy jet fighter smashed into their homes at that hour in suburban Berkeley, leaving them in charred ruins.

The pilot, Lt. John R. Renshaw, Centerville, Md., appeared to be shooting for an open space a block west of the Meyers home.

Instead his burning plane hit what may have been the only two unoccupied homes in the area. Renshaw was killed.

Two-Block Away
Schneider, operator of a home improvement firm, said his wife Ruth would be busy getting supper almost any other Tuesday. Their children, Linda, 8, Charles, 5, and

Richard, 3½ months, would be at home.

But it was the first day of school and his wife had picked out the children's test clothes. She told her husband at his office: "I think when the kids come home, they'll be all dressed up so I think we'll go over to mother's. You can pick us up there."

Almost any other Tuesday, Raymond Meyer would be in the shower bathing after a day on a construction job.

But yesterday he was kept 10 minutes overtime. He made up a few minutes en route to pick up his wife at work. He made up a few more minutes on the home stretch.

They were just two blocks away when the plane hit.

Driver Fined \$10 For Slow Driving

NEW HARTFORD, N.Y. (AP)—Arthur Markle, 66, said the reason he was driving between 5 and 10 miles an hour on Route 5, a main state highway, was because he had heard that speed causes most accidents.

A state trooper said a long line of Labor Day traffic was following him.

The peace justice said slow driving could cause accidents too and fined Markle, of nearby Frankfort, \$10.

PREDICT STATE WATER WILL BE FLUORIDATED

HARRISBURG (AP)—A state health official predicted today that within 10 years 75 per cent of Pennsylvania's public water supply will be fluoridated.

"If we develop an instrument capable of fluoridating small private water supplies, I feel a good percentage of those users too will take up fluoridation," said Dr. Linwood Grace.

Dr. Grace, who heads the dental division of the health department, said 3,200,000 persons in the state now are drinking fluoridated water.

Backers of fluoridation maintain use of the treated drinking water from childhood will cut tooth decay between 60 and 65 per cent.

Some Opposition
Among the backers are the State Health Department, Pennsylvania Medical Society and the Pennsylvania Dental Society.

Opponents on the other hand contend fluoridation will not reduce tooth decay but instead will cause discoloration of teeth.

"There is always some opposition to fluoridating water when a

community begins thinking about it," Dr. Grace said, adding: "But the opposition always comes from the same people who begin their anti-fluoridation campaigns in every community where there is some talk of fluoridating."

He said that 20 per cent of the Pennsylvania population at present could not fluoridate its water supply because they have their own private water supplies.
